One day a cap-seller was passing through a forest. On the way, he got tired. He used to keep red caps in his basket over his head and used to sell them in streets and market. One day it was a hot sunny day. Cap seller was tired and also was perspiring. So, he put his basket of caps under a leafy tree and sat down. Since he was tired, he fell asleep.

On branches of a tree many monkeys used to live. They got tempted by seeing red caps. So, all of them came down and each one took a cap and put it on its head. Then all of them climbed up tree and sat there.

After some time, Cap seller woke up and was astonished to see all caps missing from his basket. He looked around, but could not find anyone there. Later, he heard voice of monkeys on tree. He noticed monkeys were wearing all caps. It was quite difficult for him to climb tree to get caps back.

An idea came into his mind. He hurriedly took off his own cap and threw it on ground. Seeing this action of Cap seller, all monkeys also did same action and each one threw cap on ground. Monkeys have habit to imitate others. In this way, Cap seller got back all his caps and went back happily.
