### HOTS

Kangaroo

### Activity

**A. Write the code to find the names of some animals.**

- Elephant
- Camel
- Fish

**B. The following animals have lost their tails. Join them to their correct tails.**

### Life Skills

**Be kind to animals. Are you kind to animals? Tick (✓) what you do.**

- |    |    |    |    |    |
|----|----|----|----|----|
| 1. | 2. | ✓  | 3. | ✓  |
| 4. | ✓  | 5. | ✓  | 6. |

## Chapter-5 Homes of Animals

### Oral Skills

**A. Answer the following questions.**

- A rabbit lives in burrow.
- A pig live in pig-pen.
- Parrot
- Dog, Rabbit
- Yes

### Writing Skills

**B. Multiple choice questions**

- (a) grass
- (d) All of these

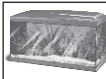

**C. Fill in the blanks with correct words.**

- Domestic
- eating
- animals
- shelters

**D. Answer these following questions.**

- Animals need home to protect themselves from their enemies.
- A dog live in a kennel.
- The unwanted animals in our house are pests. For, e.g. cockroach, spider etc.
- We can keep the pests away from our house by keeping our house neat and clean.

**E. Match the animals to their homes.**

1.			i.	
2.			ii.	
3.			iii.	
4.			iv.	

**HOTS**

Rat or mice

**Activity**

Do it yourself

**Life Skills**

Do it yourself

our food using water, sunlight, air and chlorophyll is called photosynthesis.

- Leaves are green in colour because of presence of chlorophyll
- a. Leaves of some plants like mint, spinach, fenugreek, coriander etc. are used as food.
- b. Leaves of some plants are used for decoration in festivals and weddings.
- c. The leaves of the tea plant are used to prepare tea.
